Flameless

Candles

**No Naked Flame No Mess Real Wax Economical Environmentally Friendly
No emissions – clean green factor!**

Safe Flame Candles are flameless LED candles that have the look of a real candle. They are totally safe as they are battery operated and give a wonderful inviting glow and realistic flame-like flicker that a real candle gives.

Safe Flame Candles are absolutely ideal for **beauty and spa clinics** but wait there's more..... they are also ideal in and around swimming and barbecue areas, on board yachts and boats, around the home, in rest homes and retirement villages and as night-lights for children.

Safe Flame Candles are reliable, economical and can be delicately infused with your favourite essential oil to give off the desired aroma.

Safe Flame Candles create ambience, relaxation and romance and..... if you are thinking of Christmas gifts these candles are ideal.

Safe Flame Candles give you peace of mind, you never need to worry about extinguishing the flame or the risk of fire with **Safe Flame Candles**. Everyone can relax and enjoy

Safe Flame Candles (batteries included). Available in **small (\$15.95 + gst)**, **medium (\$16.95 + gst)**, **large (\$19.95 + gst)**
